

# Bradford West Gwillimbury Public Library Volunteer Gardeners

Calling all Gardeners  
or  
People who don't mind getting dirt on their hands

The BWG Library is looking for volunteers who would like to tackle our front garden and turn it into a masterpiece, or at least keep it from being an eyesore. Responsibilities would include watering the plants and pulling the weeds. We will train you if you are not already a gardener. Don't worry; you will quickly learn which plants we are trying to grow and which ones we are trying to kill.

You can work by yourself or in pairs, but we are asking you to come at least once a week for a couple of hours for most of the summer. We are hoping to attract several volunteers so that they can come in on different days of the week to spread the work load; many hands make light work. All ages welcome.

Contact Nina Cunniff at the library at 905-775-3328 for more information
